Shaping who you are as you
develop skills for the future.

Shape the future *with Corrymeela.*

Supporting groups to live well
together now & for the future.

What is the Corrymeela Horizons Programme?

The Corrymeela Horizons Programme is a unique opportunity to spend a year living at our Ballycastle Centre assisting our teams as they deliver programmes for scores of groups from different backgrounds, enabling them to nurture deeper relationships and explore how to live well together.

Our volunteers are at the heart of our work.

During the year, we provide support and training to enable our Horizon volunteers to develop their skills in personal reflection, group work and peace-building, which will benefit them in their future lives.

“”

It pushed me out of my comfort zone and taught me to be adaptable, resilient and advocate for my own and others' needs.

Former Corrymeela Volunteer

When does it take place?

Our Residential Experience means living and working at our Ballycastle Centre from **September to August** each year.

We're looking for volunteers...

- with emotional resilience, maturity, energy and a sense of responsibility
- who want to make a difference in other people's lives and have a strong sense of social justice
- who can show up and give their best, even on the hard days
- who are committed to personal development
- who are ready to learn and grow

*We are now inviting people who are willing to learn and get the most out of their year with us.
We want to share our skills and passion for our work and create a network of peace-builders around the world.*

“”

My Corrymeela experience helped me get into university, meet amazing people, and develop confidence in myself.
